

EXOATLET
It All Begins with The First Step

MARKETING SUPPORT to EA REPRESENTATIVES

FEBRUARY 4, 2021

A close-up photograph of a person in a wheelchair using a metal ramp to enter a vehicle. The person's hand is on the wheelchair's handle, and they are wearing a watch. The ramp is positioned over the vehicle's open door. The background is dark and out of focus.

The image shows a full-body exoskeleton (ExoAtlet II) standing on a white surface. The exoskeleton is primarily grey and black with blue accents on the joints. It has a large backpack-like structure on the back and various sensors and actuators. The background is white with a light blue diagonal line. There are decorative pink and blue circles and a vertical line on the right side.
