

Response number	Declaration of consent	At the beginning of the course, I informed myself about the content and aim.	At the beginning of the course, all the requirements regarding the examination such as length, format and terms of registration were stated clearly.	In the online learning platform, I was able to find materials to study such as presentations, literature or task for practice.	The course content had a connection to scientific research.	The contact hours were covered via the online based learning opportunities virtually.	Please name reasons why the contact hours were not covered virtually via the online based learning opportunities?	The contact hours were covered via the online based learning opportunities virtually.	In any given week, I spent the following amount of hours preparing for courses and writing assignments: (in full hours)	To prepare for a course examination, I usually spent: (in full hours)	During the course, the lecturer took into consideration the students' diverse level of knowledge.	The lecturer employed a variety of teaching methods such as group assignments, discussions, projects, presentations, and eLearning during the course of the course.	The lecturer took the various learning needs of the students into account.	The provided learning material of the lecturer was up-to-date, structured and edited well.	Getting in contact with the lecturer during the semester was possible.	The lecturer showed professional and appropriate behavior towards all students.	I particularly liked (use the following space for your feedback):	I would like to make the following suggestions (use the space below for your feedback):	Please give an overall grade to the lecturer.	Please give an overall grade to the course.
1	I hereby agree to storage of the survey data and have been informed of it being compiled anonymously.	[1] - completely agree	[2] - mostly agree	[1] - completely agree	[2] - mostly agree	[1] - completely agree		[2] - mostly agree	2-4 hours	10 hours or more	[2] - mostly agree	[2] - mostly agree	[2] - mostly agree	[2] - mostly agree	[1] - completely agree	[1] - completely agree	the openminded approach of lecturer helped us to rethink things in alignment with the course and he did not just share theoretic knowledge.	I'd love to hear the details of one project he joined or managed from real life	[2] - above average	[2] - above average
2	I hereby agree to storage of the survey data and have been informed of it being compiled anonymously.	[3] - partially agree	[1] - completely agree	[1] - completely agree	[1] - completely agree	[1] - completely agree		[1] - completely agree	0-1 hours	10 hours or more	[3] - partially agree	[1] - completely agree	[1] - completely agree	[3] - partially agree	[3] - partially agree	[3] - partially agree	it was really good.		[1] - excellent	[2] - above average
3	I hereby agree to storage of the survey data and have been informed of it being compiled anonymously.	[1] - completely agree	[2] - mostly agree	[1] - completely agree	[2] - mostly agree	[3] - partially agree			2-4 hours	10 hours or more	[2] - mostly agree	[2] - mostly agree	[2] - mostly agree	[1] - completely agree	[1] - completely agree	[2] - mostly agree			[3] - good	[2] - above average
4	I hereby agree to storage of the survey data and have been informed of it being compiled anonymously.	[1] - completely agree	[2] - mostly agree	[1] - completely agree	[1] - completely agree	[1] - completely agree		[1] - completely agree	2-4 hours	7-10 hours	[1] - completely agree	[1] - completely agree	[1] - completely agree	[1] - completely agree	[1] - completely agree	[1] - completely agree			[1] - excellent	[1] - excellent
5	I hereby agree to storage of the survey data and have been informed of it being compiled anonymously.	[1] - completely agree	[1] - completely agree	[1] - completely agree	[2] - mostly agree	[1] - completely agree		[1] - completely agree	2-4 hours	4-6 hours	[1] - completely agree	[1] - completely agree	[1] - completely agree	[1] - completely agree	[1] - completely agree	[1] - completely agree	We have a confident environment in which we can speak our minds without the fear of failure. We learn with each other's comments.	I will like to see this kind of education in other classrooms	[1] - excellent	[1] - excellent
